

Go Beyond Academy 2024-2025 Group Classes

Grade 1-2

Subject	Features of the Course	Time	Class Format	Semesters	Duration	Tuition Fees
Singapore Math U.S Edition Grade 1	The latest North American version of the textbook aligns with the Ontario Mathematics Curriculum, offering a more challenging approach. It encompasses foundation, advanced topics, and competition/contest preparation.	Wednesday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Singapore Math U.S Edition Grade 2	The latest North American version of the textbook aligns with the Ontario Mathematics Curriculum, offering a more challenging approach. It encompasses foundation, advanced topics, and competition/contest preparation.	Thursday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Reading and Creative Writing Grade 1-2 A	Use the latest bestseller list to read the content intensively and cultivate your interest in reading. Analyze key chapters and learn writing techniques and structure.	Thursday 5:30-6:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Reading and Creative Writing Grade 1-2 B	Use the latest bestseller list to read the content intensively and cultivate your interest in reading. Analyze key chapters and learn writing techniques and structure.	Wednesday 5:30-6:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Vocabulary Grammar and Writing Grade 2	Basic essential courses: three textbooks, vocabulary accumulation and grammar explanation. Learn to use correct grammar and vocabulary to construct clear and coherent sentences and paragraphs.	Friday 5:30-6:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Element of English Writing Grade 1	Use Write Source to develop effective reading and writing skills. Learn how to conceive and organize articles, and how to use appropriate language and rhetorical techniques to enhance the appeal of your writing.	Tuesday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Element of English Writing Grade 2	Use Write Source to develop effective reading and writing skills. Learn how to conceive and organize articles, and how to use appropriate language and rhetorical techniques to enhance the appeal of your writing.	Thursday 5:30-6:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Phonics class	Utilize writing resources to cultivate proficient reading and writing abilities. Learn to conceive and organize articles effectively, and employ appropriate language and rhetorical techniques to enhance the appeal of your writing.	Saturday 1:15-2:45pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$520/20 classes Spring: \$780/20 classes
L0 French Beginners A	Designed for students with no prior knowledge. The course introduces the basics of French pronunciation and spelling rules, with a focus on training students for accurate pronunciation and fluency. It also covers simple everyday expressions and basic vocabulary.	Wednesday 10:00-11:00am	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	\$2349 classes
L0 French Beginners B	Designed for students with no prior knowledge. The course introduces the basics of French pronunciation and spelling rules, with a focus on training students for accurate pronunciation and fluency. It also covers simple everyday expressions and basic vocabulary.	Saturday 1:00-2:00 pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L1 French Basic A	Letter pronunciation rules, common conversation scenes in daily life, accumulation of common vocabulary, learning of basic grammar and sentence structure, as well as simple listening and speaking exercises and written expressions.	Thursday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L1 French Basic B	Letter pronunciation rules, common conversation scenes in daily life, accumulation of common vocabulary, learning of basic grammar and sentence structure, as well as simple listening and speaking exercises and written expressions.	Friday 11:00am-12:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	\$2349 classes

Grade 3-4

Singapore Math U.S Edition Grade 3 A	The latest North American version of the textbook aligns with the Ontario Mathematics Curriculum, offering a more challenging approach. It encompasses foundation, advanced topics, and competition/contest preparation.	Saturday 11:00am-12:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Singapore Math U.S Edition Grade 3 B	The latest North American version of the textbook aligns with the Ontario Mathematics Curriculum, offering a more challenging approach. It encompasses foundation, advanced topics, and competition/contest preparation.	Thursday 5:30-6:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Singapore Math U.S Edition Grade 4 A	The latest North American version of the textbook aligns with the Ontario Mathematics Curriculum, offering a more challenging approach. It encompasses foundation, advanced topics, and competition/contest preparation.	Tuesday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Singapore Math U.S Edition Grade 4 B	The latest North American version of the textbook aligns with the Ontario Mathematics Curriculum, offering a more challenging approach. It encompasses foundation, advanced topics, and competition/contest preparation.	Saturday 12:30-1:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Reading and Creative Writing Grade 3-4	Use the latest bestseller list to read the content intensively and cultivate your interest in reading. Analyze key chapters and learn writing techniques and structure.	Thursday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Vocabulary Grammar and Writing Grade 3 A	Basic essential courses: three textbooks, vocabulary accumulation and grammar explanation. Learn to use correct grammar and vocabulary to construct clear and coherent sentences and paragraphs.	Friday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Vocabulary Grammar and Writing Grade 3 B	Basic essential courses: three textbooks, vocabulary accumulation and grammar explanation. Learn to use correct grammar and vocabulary to construct clear and coherent sentences and paragraphs.	Saturday 12:30-1:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Vocabulary Grammar and Writing Grade 4	Basic essential courses: three textbooks, vocabulary accumulation and grammar explanation. Learn to use correct grammar and vocabulary to construct clear and coherent sentences and paragraphs.	Saturday 1:30-2:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Element of English Writing Grade 3	Use the National Geographic writing textbook "Great Writing" and "Write Source". Develop effective reading and writing skills. Covers training in writing structure, grammar, vocabulary and literary expression. Through systematic learning and practice, students will improve their writing skills and be able to express their ideas and opinions more confidently and fluently.	Tuesday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Wordy Wise 2 Vocabulary Class	Using the Wordy Wise curriculum, we focus on expanding vocabulary and enhancing lexical skills. By integrating reading and writing, we aim to enrich and accurately express ideas in writing through vocabulary accumulation.	Wednesday 4:30-6:00pm	Hybrid	Short term summer class Fall: September-January Spring: February-June	90min	\$3519 classes \$520/20 classes
Wordy Wise 3 Vocabulary Class	Using the Wordy Wise curriculum, we focus on expanding vocabulary and enhancing lexical skills. By integrating reading and writing, we aim to enrich and accurately express ideas in writing through vocabulary accumulation.	Tuesday 4:30-6:00pm	Hybrid	Short term summer class Fall: September-January Spring: February-June	90min	\$520/20 classes \$520/20 classes
Phonics G3-G4(ESS,ELL)	Suitable for students who have just arrived in Canada and wish to quickly improve their spelling and oral language skills. This program helps students rapidly adapt to local English classes by focusing on the rules and techniques of phonics, making it easier to understand and remember the pronunciation of words. Students will learn how to pronounce correctly, enhancing their fluency in spoken expression.	Saturday 2:45-4:15pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	\$3519 classes \$520/20 classes
English Comprehensive Course Grade 3-4A	The fastest course to improve your report cards: Reading + Writing + Public Speaking Presentation	Wednesday 4:00-5:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
English Comprehensive Course Grade 3-4B	The fastest course to improve your report cards: Reading + Writing + Public Speaking Presentation	Saturday 12:30-1:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Public Speaking G4-6	Learn speech etiquette, speech writing and PPT presentation. Use language, body language, and vocal techniques to engage your audience. Opportunity to go on stage and participate in speech reporting sessions.	Saturday 10:00-11:30am	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$520/20 classes Spring: \$780/20 classes
L0 French Beginners A	Designed for students with no prior knowledge. The course introduces the basics of French pronunciation and spelling rules, with a focus on training students for accurate pronunciation and fluency. It also covers simple everyday expressions and basic vocabulary.	Wednesday 10:00-11:00am	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	\$2349 classes
L0 French Beginners B	Designed for students with no prior knowledge. The course introduces the basics of French pronunciation and spelling rules, with a focus on training students for accurate pronunciation and fluency. It also covers simple everyday expressions and basic vocabulary.	Saturday 1:00-2:00 pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L1 French Basic A	Letter pronunciation rules, common conversation scenes in daily life, accumulation of common vocabulary, learning of basic grammar and sentence structure, as well as simple listening and speaking exercises and written expressions.	Thursday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L1 French Basic B	Letter pronunciation rules, common conversation scenes in daily life, accumulation of common vocabulary, learning of basic grammar and sentence structure, as well as simple listening and speaking exercises and written expressions.	Friday 11:00am-12:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	\$2349 classes
L2 Intermediate French A	Through bilingual teaching in English and French, students will conduct simple dialogue exercises, listening and speaking training, scene description and simulated dialogue, accumulation of nouns and adjectives, learning of verb conjugations, as well as reading short passages and practicing expressions.	Friday 5:30-6:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L2 Intermediate French B	Through bilingual teaching in English and French, students will conduct simple dialogue exercises, listening and speaking training, scene description and simulated dialogue, accumulation of nouns and adjectives, learning of verb conjugations, as well as reading short passages and practicing expressions.	Saturday 10:00-11:00am	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Polar Bear Writing Competition Training Beginner Class	Comprehensive Polar Bear writing competition preparation. Teachers provide one-on-one guidance from draft drafting to polishing and submission, helping students stand out in the competition. Covers writing skills, including structure, expression and accumulation of material.	Monday,Tuesday, Wednesday, Thursday, Friday 1:00-2:30pm	Hybrid	Short term summer class	90min	July Class: \$858/22 Classes July 2nd-31st August Class: \$819/21 Classes August 1st-31st
Elementary Programming G4-6	Use visual programming tools such as Reoborg to understand the basic concepts of programming and algorithmic thinking. Learn how to use a graphical interface to write simple instructions to control the robot to complete various tasks, thereby cultivating logical thinking and problem-solving abilities.	Tuesday 5:00-6:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes

Grade 5-6

Singapore Math U.S Edition Grade 5	The latest North American version of the textbook aligns with the Ontario Mathematics Curriculum, offering a more challenging approach. It encompasses foundation, advanced topics, and competition/contest preparation.	Tuesday 6:00-7:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90 min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Singapore Math U.S Edition Grade 6	The latest North American version of the textbook aligns with the Ontario Mathematics Curriculum, offering a more challenging approach. It encompasses foundation, advanced topics, and competition/contest preparation.	Monday 4:30-6:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$2737 classes Fall: \$714/19 classes Spring: \$702/18 classes
Reading and Creative Writing Grade 5-6	Use the latest bestseller list to read the content intensively and cultivate your interest in reading. Analyze key chapters and learn writing techniques and structure.	Thursday 5:30-7:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Vocabulary Grammar and Writing Grade 5	Basic essential courses: three textbooks, vocabulary accumulation and grammar explanation. Learn to use correct grammar and vocabulary to construct clear and coherent sentences and paragraphs.	Saturday 10:30am-12:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Vocabulary Grammar and Writing Grade 6	Basic essential courses: three textbooks, vocabulary accumulation and grammar explanation. Learn to use correct grammar and vocabulary to construct clear and coherent sentences and paragraphs.	Saturday 9:00-10:30am	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Element of English Writing Grade 5-6	Use the National Geographic writing textbook "Great Writing" and "Write Source". Develop effective reading and writing skills. Covers training in writing structure, grammar, vocabulary and literary expression. Through systematic learning and practice, students will improve their writing skills and be able to express their ideas and opinions more confidently and fluently.	Tuesday 6:00-7:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Wordy Wise 4 Vocabulary Class	Using the Wordy Wise curriculum, we focus on expanding vocabulary and enhancing lexical skills. By integrating reading and writing, we aim to enrich and accurately express ideas in writing through vocabulary accumulation.	Friday 4:30-6:00pm	Hybrid	Short term summer class Fall: September-January Spring: February-June	90min	\$3519 classes \$520/20 classes \$494/19 classes
Wordy Wise 5A Vocabulary Class	Using the Wordy Wise curriculum, we focus on expanding vocabulary and enhancing lexical skills. By integrating reading and writing, we aim to enrich and accurately express ideas in writing through vocabulary accumulation.	Tuesday 6:30-8:30pm	Hybrid	Short term summer course Fall: September-January Spring: February-June	120min	\$488/8 Classes \$780/20 classes
Wordy Wise 5B Vocabulary Class	Using the Wordy Wise curriculum, we focus on expanding vocabulary and enhancing lexical skills. By integrating reading and writing, we aim to enrich and accurately express ideas in writing through vocabulary accumulation.	Saturday 10:00am-12:00pm	Hybrid	Short term summer course Fall: September-January Spring: February-June	120min	\$488/8 Classes \$780/20 classes
English Comprehensive Course Grade 5-6A	The fastest course to improve your report cards: Reading + Writing + Public Speaking Presentation	Tuesday 4:30-6:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
English Comprehensive Course Grade 5-6B	The fastest course to improve your report cards: Reading + Writing + Public Speaking Presentation	Friday 4:30-6:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$741/19 classes
Public Speaking Course Grade 4-6	Learn speech etiquette, speech writing and PPT presentation. Use language, body language, and vocal techniques to engage your audience. Opportunity to go on stage and participate in speech reporting sessions.	Saturday 10:00-11:30am	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Public Speaking Course Grade 6-8	Learn speech etiquette, speech writing and PPT presentation. Use language, body language, and vocal techniques to engage your audience. Opportunity to go on stage and participate in speech reporting sessions.	Friday 6:00-7:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
L1 Elementary French A	Letter pronunciation rules, common conversation scenes in daily life, accumulation of common vocabulary, learning of basic grammar and sentence structure, as well as simple listening and speaking exercises and written expressions.	Thursday 4:30-5:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L1 Elementary French B	Letter pronunciation rules, common conversation scenes in daily life, accumulation of common vocabulary, learning of basic grammar and sentence structure, as well as simple listening and speaking exercises and written expressions.	Friday 11:00am-12:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	\$2349 classes
L2 Intermediate French A	Through bilingual teaching in English and French, students will conduct simple dialogue exercises, listening and speaking training, scene description and simulated dialogue, accumulation of nouns and adjectives, learning of verb conjugations, as well as reading short passages and practicing expressions.	Friday 5:30-6:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$494/19 classes
L2 Intermediate French B	Through bilingual teaching in English and French, students will conduct simple dialogue exercises, listening and speaking training, scene description and simulated dialogue, accumulation of nouns and adjectives, learning of verb conjugations, as well as reading short passages and practicing expressions.	Saturday 10:00-11:00am	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L3 Advanced French A	Focusing on speaking, reading and writing training, students will conduct complex dialogue exercises, reading comprehension and written expressions, focusing on cultivating students' language expression ability and written expression ability.	Thursday 8:00-9:00pm	online only	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L3 Advanced French B	Focusing on speaking, reading and writing training, students will conduct complex dialogue exercises, reading comprehension and written expressions, focusing on cultivating students' language expression ability and written expression ability.	Friday 1:00-3:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	120min	\$468/8 classes
Elementary Programming G4-6	Use visual programming tools such as Reoborg to understand the basic concepts of programming and algorithmic thinking. Learn how to use a graphical interface to write simple instructions to control the robot to complete various tasks, thereby cultivating logical thinking and problem-solving abilities.	Tuesday 5:00-6:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
Intermediate Programming G5-6	Learn the basic syntax, data types, process control and other concepts of the Python programming language, and apply what you have learned through practical projects and challenges. The course will also focus on training students' problem analysis abilities and programming practice abilities, laying a solid programming foundation for them.	Monday 6:00-7:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$1827 classes Fall: \$494/19 classes Spring: \$468/18 classes
Polar Bear Writing Competition Training Intermediate Class	Comprehensive Polar Bear writing competition preparation. Teachers provide one-on-one guidance from draft drafting to polishing and submission, helping students stand out in the competition. Covers writing skills, including structure, expression and accumulation of material.	Monday,Tuesday, Wednesday, Thursday, Friday 2:30-4:00pm	Hybrid	Short term summer course	90min	July Class: \$858/22 Classes July 2nd-31st August Class: \$819/21 Classes August 1st-31st
SSAT Mathematics Intermediate Intensive Course (GS-7)	Explanation of basic mathematical concepts, problem-solving techniques and test-taking strategies. Through a large number of exercises and mock exams, students will become familiar with exam question types and improve their speed and accuracy in solving questions. Teachers will provide personalized tutoring based on students' learning status to help them reach the level required by the exam.	Monday,Tuesday, Wednesday, Thursday, Friday 1:00-2:30pm	Hybrid	Short term summer course	90min	July Class: \$858/22 Classes July 2nd-31st August Class: \$819/21 Classes August 1st-31st
SSAT English Intermediate Intensive Course (GS-7)	Improve students' English reading, writing, vocabulary skills and test-taking time management skills in preparation for the SSAT exam. Improve your English through classroom lectures, practice questions, and mock exams.	Monday,Tuesday, Wednesday, Thursday, Friday 2:30-4:00pm	Hybrid	Short term summer course	90min	July Class: \$858/22 Classes July 2nd-31st August Class: \$819/21 Classes August 1st-31st

Grade 7-8

Mathematics Grade 7 Class A	Using IB MYP (International Baccalaureate Middle Years Programme) textbooks, aligned with the Ontario Mathematics Curriculum. Strengthening foundations, advanced training, and simulated competitions.	Wednesday 5:30-7:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Mathematics Grade 7 Class B	Using IB MYP (International Baccalaureate Middle Years Programme) textbooks, aligned with the Ontario Mathematics Curriculum. Strengthening foundations, advanced training, and simulated competitions.	Saturday 3:30-5:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Mathematics Grade 8 Class A	Using IB MYP (International Baccalaureate Middle Years Programme) textbooks, aligned with the Ontario Mathematics Curriculum. Strengthening foundations, advanced training, and simulated competitions.	Saturday 9:30-11:00am	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Mathematics Grade 8 Class B	Using IB MYP (International Baccalaureate Middle Years Programme) textbooks, aligned with the Ontario Mathematics Curriculum. Strengthening foundations, advanced training, and simulated competitions.	Monday 6:00-7:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$1827 classes Fall: \$494/19 classes Spring: \$468/18 classes
Element of English Writing Grade 7-8	Use the National Geographic writing textbook "Great Writing" and "Write Source". Develop effective reading and writing skills. Covers training in writing structure, grammar, vocabulary and literary expression. Through systematic learning and practice, students will improve their writing skills and be able to express their ideas and opinions more confidently and fluently.	Friday 6:00-7:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
Wordy Wise 6A Vocabulary Class	Using the Wordy Wise curriculum, we focus on expanding vocabulary and enhancing lexical skills. By integrating reading and writing, we aim to enrich and accurately express ideas in writing through vocabulary accumulation.	Wednesday 6:00-8:00pm	Hybrid	Short term summer class Fall: September-January Spring: February-June	120min	\$488/8 Classes \$780/20 classes
Wordy Wise 6B Vocabulary Class	Using the Wordy Wise curriculum, we focus on expanding vocabulary and enhancing lexical skills. By integrating reading and writing, we aim to enrich and accurately express ideas in writing through vocabulary accumulation.	Saturday 1:00-2:30pm	Hybrid	Short term summer course Fall: September-January Spring: February-June	120min	\$488/8 Classes \$780/20 classes
Wordy Wise 7 Vocabulary Class	Using the Wordy Wise curriculum, we focus on expanding vocabulary and enhancing lexical skills. By integrating reading and writing, we aim to enrich and accurately express ideas in writing through vocabulary accumulation.	Tuesday 5:30-7:00pm	Hybrid	Short term summer course Fall: September-January Spring: February-June	120min	\$488/8 Classes \$780/20 classes
English Comprehensive Course Grade 7-8	The fastest course to improve your report cards: Reading + Writing + Public Speaking Presentation	Tuesday 7:00-8:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
English Reading and Writing (Pre-IB) Grade7-8 Class A	Provide effective reading training and primary essay writing for children preparing for IB and entering the IB system. Extend corresponding speech or writing exercises based on current news.	Wednesday 5:30-7:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
English Reading and Writing (Pre-IB) Grade7-8 Class B	Provide effective reading training and primary essay writing for children preparing for IB and entering the IB system. Extend corresponding speech or writing exercises based on current news.	Saturday 3:00-4:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
English Reading and Writing (Pre-IB) Grade7-8 Class C	Provide effective reading training and primary essay writing for children preparing for IB and entering the IB system. Extend corresponding speech or writing exercises based on current news.	Saturday 5:00-6:30pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	90min	Summer: \$3519 classes Fall: \$780/20 classes Spring: \$780/20 classes
L3 Advanced French A	Bilingual teaching in English and French; essential for French school students, listening and speaking exercises, reading comprehension and writing exercises	Thursday 8:00-9:00pm	Online	Summer: July-August Fall: September-January Spring: February-June	60min	Summer: \$2349 classes Fall: \$520/20 classes Spring: \$520/20 classes
L3 Advanced French B	Bilingual teaching in English and French; essential for French school students, listening and speaking exercises, reading comprehension and written expressions.	Friday 1:00-3:00pm	Hybrid	Summer: July-August Fall: September-January Spring: February-June	120min	\$468/8 Classes
