

Go Beyond Academy Summer (Jul-Aug) Weekly Class Schedule							
Subject	Grade	Time	Course Features	Format	Course Dates	Total Hours	Fees
Math Competition Prep	2	Thursday 4:30-5:30pm	This course incorporates elements from various math competitions, such as the GBA Math Challenge, Kangaroo Math, Singapore Math Challenge, etc., to help students develop logical thinking and problem-solving skills. The content covers basic operations, measurement units, geometric concepts, and more, while integrating challenging math problems, such as Math Stars and Sunshine Math, to enhance calculation skills and mathematical application abilities.	Hybrid	July 3 - August 28	9	\$234/9 Classes
Intensive Reading and Creative Writing English Class	1-2	Thursday 5:30-6:30pm	The reading and creative writing course for grades 1-2 focuses on basic reading/comprehension and simple writing skills, helping students recognize letters, decode vocabulary, and understand sentence structure. Through creative activities, students learn to express their ideas, developing imagination and confidence in using language.	Hybrid	July 3 - August 28	9	\$234/9 Classes
Vocabulary Grammar and Writing English Class	1-2	Friday 5:30-6:30pm	Essential Fundamentals Course: This course uses a combination of three textbooks to help students build basic vocabulary and learn fundamental grammar rules, such as parts of speech and simple sentence structures. Through fun writing exercises, students gradually master how to construct sentences and improve their ability to express themselves.	Hybrid	July 4 - August 29	9	\$234/9 Classes
Elements of English Writing	1-2 Class A	Tuesday 4:30-5:30pm	Using the renowned American textbook Write Source, this course helps students develop basic reading skills, improve reading comprehension, establish foundational writing skills, learn spelling and grammar rules, and stimulate creative expression.	Hybrid	July 8 - August 26	8	\$234/9 Classes
	1-2 Class B	Thursday 5:30-6:30pm		Hybrid	July 3 - August 28	9	\$234/9 Classes
French Beginners	2-4	Saturday 4:00-5:00pm	This course is suitable for beginners and uses French Smart as the main textbook to help students master basic French. The course covers pronunciation, basic vocabulary, grammar rules, simple conversations, and reading comprehension. Through interactive exercises and situational learning, students will improve their listening, speaking, reading, and writing skills, laying a solid foundation for further French studies.	Hybrid	July 5 - August 30	9	\$234/9 Classes
Mathematics Comprehensive Competition	3A	Thursday 5:30-6:30pm	This course incorporates elements from various math competitions, such as the GBA Math Challenge, Kangaroo Math, and Singapore Math Challenge, with the goal of developing students' logical thinking and problem-solving abilities. The curriculum covers advanced calculation skills, more complex measurement concepts, and the analysis and application of geometric shapes. Through challenging problems like Math Stars and Sunshine Math, students will enhance their mathematical reasoning skills.	Hybrid	July 3 - August 28	9	\$234/9 Classes
	3B	Saturday 2:30-3:30pm		Hybrid	July 5 - August 30	9	\$234/9 Classes
	4A	Thursday 6:30-7:30pm	This course integrates competition elements from the GBA Math Challenge, Kangaroo Math, and Singapore Math Challenge, aiming to develop students' logical thinking and problem-solving skills. The curriculum covers more advanced computational techniques, extended measurement methods, and the understanding and application of geometric shapes. Through challenging problems such as Math Stars and Sunshine Math, students will enhance their mathematical reasoning abilities and build a solid mathematical foundation.	Hybrid	July 3 - August 28	9	\$234/9 Classes
	4B	Saturday 1:30-2:30pm		Hybrid	July 5 - August 30	9	\$234/9 Classes
Intensive Reading and Creative Writing English Class	3-4 Class A	Thursday 4:30-5:30pm	Aligned with the latest bestselling book list, this course focuses on intensive reading to cultivate an interest in reading. By analyzing key chapters in depth, students will understand story structure and writing techniques, enhancing their reading comprehension skills. At the same time, they will learn various writing methods: mastering narrative, description, argumentation, and other forms of expression to improve their writing abilities. Students are encouraged to engage in creative writing exercises, developing logical thinking and expressive skills. Based on their interests and strengths, suitable writing competitions are recommended to enhance practical experience and boost confidence.	Hybrid	July 3 - August 28	9	\$234/9 Classes
	3-4 Class B	Saturday 1:30-2:30pm		Hybrid	July 5 - August 30	9	\$234/9 Classes
Vocabulary Grammar and Writing English Class	3	Friday 4:30-5:30pm	Essential Fundamentals Course: Using a combination of three textbooks, this course helps students expand their vocabulary and learn more complex grammar rules, such as verb tenses and sentence structures. Through writing exercises, students will master paragraph construction and narrative techniques, improving their writing logic and expression skills.	Hybrid	July 4 - August 29	9	\$234/9 Classes
	4	Saturday 12:30-1:30pm		Hybrid	July 5 - August 30	9	\$234/9 Classes
Elements of English Writing	3	Thursday 4:30-5:30pm	Using a diverse range of writing textbooks, this course aims to cultivate students' reading comprehension and writing abilities. The curriculum covers training in writing structure, grammar rules, vocabulary usage, sentence expression, and paragraph organization. Through systematic learning and practice, students will master clear and organized writing techniques, enhance their logical thinking skills, and improve the accuracy and fluency of their written expression. At the same time, the course encourages independent thinking, boosting creative writing abilities and enabling students to confidently express their views and adapt to various types of writing tasks.	Hybrid	July 3 - August 28	9	\$234/9 Classes
	4	Tuesday 5:30-6:30pm		Hybrid	July 8 - August 26	8	\$234/9 Classes
English Comprehensive Course	3-4 Class A	Wednesday 4:30-5:30pm	An Efficient Course for Improving Grades: This course combines reading, writing, and speaking training to comprehensively enhance students' language expression, logical thinking, and communication skills. It not only helps students achieve higher grades but also boosts their confidence and academic literacy.	Hybrid	July 2 - August 27	9	\$234/9 Classes
	3-4 Class B	Saturday 11:30-12:30pm		Hybrid	July 5 - August 30	9	\$234/9 Classes
Public Speaking	4-6	Saturday 10:00-11:30am	This course teaches speech etiquette, speech writing, and PowerPoint presentation skills. Students will learn how to use language, body language, and vocal techniques to engage the audience. They will also have the opportunity to present at a speech report session.	Hybrid	July 5 - August 30	9	\$234/9 Classes
French Basic	2-4	Saturday 3:00-4:00pm	This course is suitable for beginners or those with no prior knowledge of French. It aims to help students master basic French and develop their listening, speaking, reading, and writing skills. The course uses French Smart as the main textbook, covering basic pronunciation, common vocabulary, fundamental grammar, and simple conversations.	Hybrid	July 5 - August 30	9	\$234/9 Classes
L1 French Beginner	3-5	Thursday 4:30-5:30pm	This course is designed for students with a basic level of French proficiency, aiming to help them enhance their listening, speaking, reading, and writing skills. Using French Smart as the main textbook, the course covers pronunciation reinforcement, vocabulary expansion, grammar deepening, daily communication, and reading comprehension. It focuses on strengthening students' understanding of language structure and expression methods.	Hybrid	July 3 - August 28	9	\$234/9 Classes
Math Competition Prep	5 Class A	Tuesday 5:30-7:00pm	This course incorporates elements from the GBA Math Challenge, Kangaroo Math, Singapore Math Challenge, and other competitions to help students further develop their logical reasoning and problem-solving skills. The content covers advanced computation techniques, decimals and fractions, unit conversions, data analysis, and an in-depth exploration of geometric shapes. Through challenging problems like Math Stars and Sunshine Math, students will enhance their mathematical thinking. Additionally, the course includes exercises modeled after the Waterloo Math Competition to spark students' interest in math, improve their problem-solving abilities, and cultivate creative thinking and confidence, preparing them for more complex mathematical learning in the future.	Hybrid	July 8 - August 26	12	\$312/8 Classes
	5 Class A	Saturday 10:00-11:30am		Hybrid	July 5 - August 30	13.5	\$351/9 Classes
	6 Class A	Friday 6:00-7:30pm	This course incorporates elements from the GBA Math Challenge, Kangaroo Math, Singapore Math Challenge, and other competitions to further develop students' logical reasoning and problem-solving abilities. The curriculum covers advanced computation techniques, the application of decimals and fractions, unit conversions, data analysis, and the comprehensive application of geometric shapes. Challenging problems like Math Stars and Sunshine Math are included to enhance mathematical thinking. Additionally, exercises modeled after the Waterloo Math Competition are integrated to spark students' interest in mathematics, strengthen their problem-solving skills, and foster creative thinking and confidence, providing a solid foundation for more advanced mathematical studies.	Hybrid	July 4 - August 29	13.5	\$351/9 Classes
	6 Class B	Saturday 12:00-1:30pm		Hybrid	July 5 - August 30	13.5	\$351/9 Classes
Intensive Reading and Creative Writing English Class	5-6	Wednesday 4:30-6:00pm	Aligned with the latest bestselling book list, this course focuses on intensive reading to cultivate students' interest in reading. By analyzing key chapters in depth, students will understand story structure and writing techniques, improving their reading comprehension skills. At the same time, students will learn various writing methods, mastering narrative, descriptive, argumentative, and other forms of expression to enhance their writing abilities. Creative writing exercises are encouraged to develop logical thinking and expressive skills. Based on students' interests and strengths, suitable writing competitions are recommended to enhance practical experience and build confidence.	Hybrid	July 2 - August 27	13.5	\$351/9 Classes
Vocabulary Grammar and Writing English Class	5	Saturday 1:30-3:00pm	Essential Fundamentals Course: Using a combination of three textbooks, this course focuses on enriching students' advanced vocabulary and reinforcing grammar knowledge, such as the use of complex sentence structures and rhetorical devices. Through in-depth writing exercises, students will learn how to organize paragraphs and develop arguments, improving the coherence and depth of their writing expression.	Hybrid	July 5 - August 30	13.5	\$351/9 Classes
	6	Saturday 1:30-3:00pm		Hybrid	July 5 - August 30	13.5	\$351/9 Classes
Elements of English Writing	5-6	Thursday 6:30-8:00pm	Using a diverse range of writing textbooks, this course aims to develop students' reading comprehension and writing skills. The curriculum covers training in writing structure, grammar rules, vocabulary usage, sentence expression, and paragraph organization. Through systematic learning and practice, students will master clear and organized writing techniques, enhance their logical thinking skills, and improve the accuracy and fluency of their writing.	Hybrid	July 3 - August 28	13.5	\$351/9 Classes
English Reading and Writing Competition Class	5-6	Wednesday 5:30-7:00pm	The course uses a self-developed textbook that covers all aspects of writing, offering targeted training and diverse topic exercises. It helps students confidently handle various writing styles, including poetry, storytelling, and argumentative essays, while enhancing their writing skills and competitiveness in competitions.	Hybrid	July 2 - August 27	13.5	\$351/9 Classes
English Comprehensive Course	5-6 Class A	Tuesday 4:30-6:00pm	An Efficient Course for Improving Grades: This course integrates reading, writing, and speaking training to comprehensively enhance students' language expression, logical thinking, and communication skills. It not only helps students achieve higher grades but also boosts their confidence and academic literacy.	Hybrid	July 8 - August 26	12	\$312/8 Classes

L1 Beginner French	3-5	Thursday 4:30-5:30pm	This course helps students build a solid foundation in French across the four skills: listening, speaking, reading, and writing. It includes vocabulary expansion related to daily life, basic grammar (such as verb conjugation and adjective agreement), reading comprehension, and practical application in real-life situations (such as simple conversations and describing health conditions). The goal is for students to effectively use French in authentic contexts.	Hybrid	July 3 - August 28	9	\$234/9 Classes
L2 Intermediate French	5-8 Class A	Friday 5:30-6:30pm	Through bilingual instruction in English and French, students will engage in simple conversation practice, listening and speaking exercises, scene descriptions, and simulated dialogues. They will focus on building vocabulary with nouns and adjectives, learning verb conjugations, and reading short passages while practicing different ways of expression.	Hybrid	July 4 - August 29	9	\$234/9 Classes
	5-8 Class B	Tuesday 4:30-5:30pm		Hybrid	July 8 - August 26	8	\$208/8 Classes
L3 Advanced French	5-8 Class A	Thursday 8:00-9:00pm	This course focuses on speaking, reading, and writing training, where students will engage in complex reading comprehension and writing exercises. The emphasis is on developing students' language expression and written communication skills. They will work on improving language fluency, mastering complex grammar, conducting in-depth reading analysis, participating in discussions, and enhancing cultural understanding.	Online	July 3 - August 28	9	\$234/9 Classes
	5-8 Class B	Saturday 2:00-3:00pm		Hybrid	July 5 - August 30	9	\$234/9 Classes
Math Competition Prep	7 Class A	Wednesday 5:30-7:00pm	Kangaroo Math, and Singapore Math Challenge to further enhance students' logical reasoning and problem-solving abilities. The curriculum covers more advanced computational techniques, ratios and percentages, basic algebra, data analysis, and in-depth application of geometric shapes. Through challenging problems like Math Stars and Sunshine Math, students will strengthen their mathematical thinking. The course also incorporates exercises in the style of the Waterloo Math Competition to help students develop advanced problem-solving strategies, stimulate their interest in mathematics, and lay a solid foundation for more complex mathematical learning.	Hybrid	July 2 - August 27	13.5	\$351/9 Classes
	7 Class B	Saturday 3:30-5:00pm		Hybrid	July 5 - August 30	13.5	\$351/9 Classes
	8 Class A	Wednesday 7:00-8:30pm	本课程融入GBA数学挑战、袋鼠数学和新加坡数学挑战等竞赛元素，进一步培养学生的逻辑推理和问题解决能力。学习内容包括高级运算技巧、代数表达式、方程求解、比例与百分比、数据分析以及几何图形的深入探究，并通过Math Stars和Sunshine Math等挑战性题目提升数学思维。课程还结合Waterloo数学竞赛风格的练习，帮助学生掌握更复杂的解题策略，增强数学应用能力，并为高中阶段的数学学习奠定坚实基础。	Hybrid	July 2 - August 27	13.5	\$351/9 Classes
	8 Class B	Friday 4:30-6:00pm		Hybrid	July 4 - August 29	13.5	\$351/9 Classes
Intensive Reading and Essay Writing	7-8 Class A	Friday 6:00-7:30pm	侧重于培养学生的论点表达、结构化写作和批判性思维能力，帮助他们掌握如何清晰、有力地支持自己的观点。学生通过学习如何构建论点、使用证据和逻辑推理，逐步提升学术写作水平，为更高级别的论文写作打下坚实基础。	Hybrid	July 4 - August 29	13.5	\$351/9 Classes
	7-8 Class B	Saturday 1:00-2:30pm		Hybrid	July 5 - August 30	13.5	\$351/9 Classes
English Comprehensive Course	7-8 Class A	Wednesday 5:30-7:00pm	使用多元化的写作教材，培养学生的阅读理解和写作能力。课程涵盖写作结构、语法规则、词汇运用、句子表达以及篇章组织等方面的训练。通过系统化的学习和实践，学生将掌握清晰、有条理的写作技巧，提高逻辑思维能力，增强文字表达的准确性和流畅度。同时，课程鼓励学生独立思考，提升创意写作能力，使他们能够自信地表达观点，适应不同类型的写作任务。	Hybrid	July 2 - August 27	13.5	\$351/9 Classes
	7-8 Class B	Friday 6:00-7:30pm		Hybrid	July 4 - August 29	13.5	\$351/9 Classes
	7-8 Class C	Saturday 1:30-3:00pm		Hybrid	July 5 - August 30	13.5	\$351/9 Classes
	7-8 Class D	Saturday 3:00-4:30pm		Hybrid	July 5 - August 30	13.5	\$351/9 Classes
English Reading and Writing Competition Class	7-8	Thursday 6:30-8:00pm	课程采用自编教材，结合多年教学经验，涵盖写作的各个方面，帮助学生建立坚实基础。确保学生在各种题材如诗歌、故事和议论文中都能应对自如，课程亮点包括针对性训练、个性化指导和多样化题材练习。帮助学生提升写作能力，增强竞赛竞争力。竞赛包含：Polar Expressions Publishing, John Locke, New York Times, CBC Books等。	Hybrid	July 3 - August 28	13.5	\$351/9 Classes
L2 Intermediate French	5-8 Class A	Friday 5:30-6:30pm	通过英法双语授课，学生将进行简单的对话练习，听力和口语训练，场景描述和模拟对话，名词和形容词的积累，动词变位的学习，以及阅读小短文并进行表达方式的练习。	Hybrid	July 4 - August 29	9	\$351/9 Classes
	5-8 Class B	Tuesday 4:30-5:30pm		Hybrid	July 8 - August 26	8	\$208/8 Classes
L3 Advanced French	5-8 Class A	Thursday 8:00-9:00pm	专注于口语与阅读写作训练，学生将进行复杂的阅读理解和写作练习，重点培养学生的语言表达能力和书面表达能力，提升语言流利度，掌握复杂语法，深度阅读分析，进行讨论表达，增强文化理解。	Online	July 3 - August 28	9	\$234/9 Classes
	5-8 Class B	Saturday 2:00-3:00pm		Hybrid	July 5 - August 30	9	\$234/9 Classes
L4 Pre-IB French	7-8 Class A	Monday 7:00-8:00pm	法语授课：侧重于语法、阅读理解和文章写作，通过大量的练习和模拟考试，帮助学生熟悉IB考试的题型和要求，达到考试要求的水平。	Online	July 7 - August 25	7	\$182/8 Classes
	7-8 Class B	Tuesday 6:00-7:00pm		Online	July 8 - August 26	8	\$208/8 Classes
	7-8 Class C	Tuesday 5:30-7:00pm		Hybrid	July 8 - August 26	8	\$208/8 Classes
Math Competition Prep	9	Friday 4:30-6:00pm	本课程结合袋鼠数学等竞赛元素，进一步提升学生的逻辑推理和问题解决能力。学习内容包括更复杂的运算技巧、比例与百分比、代数基础、数据分析和几何图形的深入应用，并通过富有挑战性的题目增强数学思维。课程还融入Waterloo数学竞赛风格的练习，帮助学生掌握高级解题策略，提升数学素养，为未来更高阶的数学学习和竞赛做好准备。	Hybrid	July 4 - August 29	13.5	\$351/9 Classes
Math Competition Prep	10	Friday 6:00-7:30pm	本课程结合袋鼠数学等竞赛元素，进一步提升学生的逻辑推理和问题解决能力。学习内容包括更高级的代数运算、函数概念、几何推理、数据分析和概率统计的深入应用，并通过富有挑战性的题目培养数学思维。课程还融入Waterloo数学竞赛风格的练习，帮助学生掌握高级解题策略，提升数学素养，为未来更高阶的数学学习和竞赛做好准备。	Hybrid	July 4 - August 29	13.5	\$351/9 Classes
English Comprehensive Course	9-10 Class A	Tuesday 7:00-8:30pm	提升成绩的高效课程：结合阅读、写作和演讲训练，全面提升学生的语言表达、逻辑思维和沟通能力，不仅帮助学生取得更高成绩，还增强自信心和学术素养。	Hybrid	July 8 - August 26	13.5	\$351/9 Classes
	9-10 Class B	Saturday 5:00-6:30pm		Hybrid	July 5 - August 30	13.5	\$351/9 Classes
